Pennlinks II	6.3	4.3	7.3
Penncross	6.3	4.3	7.0
LSD	0.8	1.6	1.1

This new selection promises to set the standard for years to come. The culmination of many outcrosses, Benchmark DSR™ was selected for its resistance to the Dollar Spot Disease, which is common to all bentgrasses **AND expensive to control**. Planting Benchmark DSR™ can save you time and money by reducing or eliminating fungicide treatments.

In addition, Benchmark DSR™ is one of the darkest green Bentgrasses available, has a very fine leaf texture and less thatch.

Benchmark DSR™ is an excellent choice for golf course greens and fairways where environmental sensitivity is tantamount.
